

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2015 with regard to energy labelling of light sources

**Supplier's name or trade mark:** V-TAC

**Supplier's address:** V-TAC Europe, bul. Rozhen 41, Sofia, BG

**Model identifier:** 240826

## Type of light source:

|                                                     |                                                                          |                                 |      |
|-----------------------------------------------------|--------------------------------------------------------------------------|---------------------------------|------|
| Lighting technology used:                           | LED                                                                      | Non-directional or directional: | NDLS |
| Light source cap-type (or other electric interface) | +ve and -ve (because strips are DC voltage and have black and red wires) |                                 |      |
| Mains or non-mains:                                 | NMLS                                                                     | Connected light source (CLS):   | No   |
| Colour-tuneable light source:                       | No                                                                       | Envelope:                       | -    |
| High luminance light source:                        | No                                                                       |                                 |      |
| Anti-glare shield:                                  | No                                                                       | Dimmable:                       | No   |

## Product parameters

| Parameter                                                                                                                                      | Value                | Parameter                                                                                                                                                  | Value                  |
|------------------------------------------------------------------------------------------------------------------------------------------------|----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------|
| <b>General product parameters:</b>                                                                                                             |                      |                                                                                                                                                            |                        |
| Energy consumption in on-mode (kWh/1000 h), rounded up to the nearest integer                                                                  | 8                    | Energy efficiency class                                                                                                                                    | F                      |
| Useful luminous flux ( $\phi_{use}$ ), indicating if it refers to the flux in a sphere (360°), in a wide cone (120°) or in a narrow cone (90°) | 800 in Sphere (360°) | Correlated colour temperature, rounded to the nearest 100 K, or the range of correlated colour temperatures, rounded to the nearest 100 K, that can be set | 6 500                  |
| On-mode power ( $P_{on}$ ), expressed in W                                                                                                     | 8,0                  | Standby power ( $P_{sb}$ ), expressed in W and rounded to the second decimal                                                                               | 0,00                   |
| Networked standby power ( $P_{net}$ ) for CLS, expressed in W and rounded to the second decimal                                                | -                    | Colour rendering index, rounded to the nearest integer, or the range of CRI-values that can be set                                                         | 90                     |
| Outer dimensions without                                                                                                                       | Height               | Spectral power distribution in the                                                                                                                         | See image in last page |
|                                                                                                                                                | Width                |                                                                                                                                                            |                        |

|                                                                                                   |       |       |                                      |                |
|---------------------------------------------------------------------------------------------------|-------|-------|--------------------------------------|----------------|
| separate control gear, lighting control parts and non-lighting control parts, if any (millimetre) | Depth | 1 000 | range 250 nm to 800 nm, at full-load |                |
| Claim of equivalent power <sup>(a)</sup>                                                          |       | -     | If yes, equivalent power (W)         | -              |
|                                                                                                   |       |       | Chromaticity coordinates (x and y)   | 0,311<br>0,331 |
| <b>Parameters for LED and OLED light sources:</b>                                                 |       |       |                                      |                |
| R9 colour rendering index value                                                                   |       | 81    | Survival factor                      | 1,00           |
| the lumen maintenance factor                                                                      |       | 0,96  |                                      |                |

(a) '-': not applicable;

(b) '-': not applicable;

Model placed on the Union market from 05/07/2025.
